- 2012학번부터 Academic English I, II 최초수강은 정규학기에만 가능합니다.
(계절학기에 최초수강 불가)

- 2025학년도 1학기 신입생이 아닌 재학생 재수강/미이수자는 반드시 "재수강/미이수자 분반"에 수강신청하여야 합니다.

- 내국인 편입생의 경우는 "재수강/미이수자 중급 분반"으로 직접 수강신청해야 합니다.

- 기존에 신입생 영어능력 평가고사를 응시하지 않았었던 재학생들은 재수강 / 미이수자 중급 또는 초급 분반을 자율 선택하여 수강하면 되며, 위의 중급 분반 권장 기준을 참고 부탁드립니다.

- 단, 기존에 신입생 영어능력 평가고사를 응시하였던 학생들의 경우, 해당 등급의 분반에 직접 수강 신청해야 합니다.

- 체육특기자 분반은 따로 운영합니다.

마) 코딩 교과목 (2024학번부터 적용)

1학기 수강 **[진로·창업]SW프로그래밍의기초**, 2학기 수강 **[진로·창업]데이터과학과인공지능**으로 디지털 문해력을 함양합니다.

※2023학번까지 재수강 및 미이수 학생의 경우, 매년 2학기에 개설되는 '정보적 사고'를 이수해야합니다.

a) Exploration of the Academic World I

• This course is designed to develop critical, creative, and interdisciplinary thinking skills, which are essential for the "pioneering intellectuals" who will address the world's challenges and shape the future of society.
Students admitted in 2023 or earlier are required to take "Exploration of the Academic World I" (required liberal arts course) and "Exploration of the Academic World II" (required liberal arts course).
Students admitted in **2024 or later** are required to take "Exploration of the Academic World I" (required liberal arts course) and "Exploration of the Academic World II" (**elective liberal arts course**).

b) College Writing

• New students should check with their college to see which semester they need to take the course and sign up for it.

1st semester	2nd semester
College of Liberal Arts (Language and Literature), College of Life Science & Biotechnology, College of Science, College of Engineering, College of Medicine, College of Nursing, University College, **student athletes**	Business School, College of Liberal Arts (except Language and Literature), College of Political Science and Economics, College of Education (except student athletes), College of Information, School of Art & Design, College of International Studies, School of Media & Communication, College of Health Science, School of interdisciplinary Studies, Division of Smart Security, School of Psychology, School of Smart Mobility, **International students**

  - Check the course schedule and sign up for the course.
  - Students taking this course for the first time are not eligible to apply for this course in summer/winter semesters.
  - Separate classes are offered for student athletes, department of Cyber Defense majors, international students, and repeaters (including students who are not freshmen and have never taken this course before).
  - Students who are not freshmen and are repeating or taking this course for the first time must sign up for the "Repeaters Only" class.

c) [Career/Entrepreneurship] Freshman Seminar I & [Career/Entrepreneurship] Freshman Seminar II

Category	Course Number	Course Name	Credit	Semester	Grading	Remarks
Required Liberal Arts Courses	GEKS007	[Career / Entrepreneurship] Freshman Seminar I	1	1st semester	P/F	- These courses will be graded at the discretion of "[Career / Entrepreneurship] Freshman Seminars I and II" instructor. - **Students are not allowed to drop these courses.**
	GEKS008	[Career / Entrepreneurship] Freshman Seminar II	1	2nd semester		

- Freshmen required to take these courses will be automatically placed in a separate class for their department (For first-semester incoming freshmen, they will be automatically enrolled in the first semester, but must manually register for the course in the second semester).
- Repeaters, students who are not freshmen and have never taken these courses before, and transfer students must manually register for separate classes for their major.
- "There are "advisor-led classes," "online classes" and "departmental programs."
- For more information on how to sign up for the courses and how to take them, please check the academic calendar announcement on the KU portal.
- These courses will be graded at the discretion of the "Freshman Seminar instructor."
- They are mentoring-oriented courses and do not need to be taken in the order of "Freshman Seminar I" and

"Freshman Seminar II."
- For students admitted in 2017 or earlier, please check for courses similar to "GEKS001 and GEKS002 Freshman Seminar" at Course Registration > Course Search > Similar Undergraduate Courses.
- For students admitted between 2018 and 2023, please check for courses similar to "GEKS005 Freshman Seminar I" and "GEKS006 Freshman Seminar II" at Course Registration > Course Search > Similar Undergraduate Courses.

d) Academic English I

- Due to the abolition of the "Online English Proficiency Test for Freshmen," incoming students from the 2024 academic year second semester will be required to directly register for either the intermediate or foundation-level classes through self-selection.

	Course Completion	Remarks
Advanced	Exemption	- Submission of an officially recognized English proficiency test score that meets the advanced exemption criteria is required. ※ Please refer to the detailed criteria described below.
Intermediate	Academic English I	•Absolute Evaluation •Intermediate-level class offered by the student's college/department
Foundation	Academic English I	•Absolute Evaluation •Foundation-level class

- In the 1st week of the semester, professors can request changes for students who do not match the level (foundation or intermediate) of their enrolled class. Students should change their level accordingly during the add/drop period.

- Students who have submitted a certified English proficiency test score that meets the exemption criteria for the advanced-level to the University College Administration team via email(geedcredu@korea.ac.kr) prior to the start of the semester in which they are enrolling will be exempted from taking Academic English I.

- The resulting shortage of credits must be fulfilled through other general electives or major courses according to the student's graduation requirements. (However, the exemption for the advanced-level is only applicable if the score is submitted prior to the start of the semester in which the student is enrolling, and exemption will not be granted if the score is submitted in a subsequent semester.)
※ This is operated separately from the submission of the certified English proficiency test score to one's own department in order to meet the graduation requirements.

※ **Criteria for advanced-level exemption**

TOEFL IBT	TOSEL(A)	TEPS	IELTS
115	890	526	8.5

※ **Recommended criteria for Intermediate-level class placement**
(These are just recommended criteria to help students choose between Intermediate or Foundation-level classes during course registration, and **no additional proof is required**.)

TOEIC	TOEFL IBT	TOSEL(A)	TEPS	IELTS
700	79	640	265	6.5

- For students enrolled in 2025, it is recommended to take IFLS800 Academic English I either in the 1st or 2nd semester of year 1, and it is mandatory to complete it before graduation.

- For students enrolled before 2023, they must take IFLS800 Academic English I and IFLS801 Academic English II sequentially. (Academic English I must be completed before taking Academic English II.)

Target	Academic English I	Academic English II
~2023 enrollment	**General Required (Mandatory)**	**General Required (Mandatory)**
2024 enrollment~	**General Required (Mandatory)**	General Electives (Optional)

- From the 2012 enrollment, the first-time registration of Academic English I and II is only possible during the regular semesters, not summer/winter sessions.

- Excluding 2025-1 freshmen, students who need to retake or have not completed the courses must register for the "Retake/Incomplete" class sections.

- For transfer students who are Korean nationals, they must directly register for the "Intermediate-level Retake/Non-completion" class.

- For the enrolled students who have not taken the "Online English Proficiency Test for Freshmen" yet, they can freely choose to register either the "foundation or intermediate level retake/non-completion classes." Please refer to the recommended criteria for the intermediate level above.

- However, for those who had previously taken the "Online English Proficiency Test for Freshmen," they must directly register for the class level corresponding to their exam result.

- Please note that there are separate class sections for student-athletes.

e) Coding Courses (for students admitted in 2024 or later)

You can build your digital literacy skills by taking "**[Career/Entrepreneurship] SW Programming Basics**" in the 1st semester and "**[Career/Entrepreneurship] Data Science and Artificial Intelligence**" in the 2nd semester.

※Students admitted in 2023 or earlier and intending to retake the courses or have not yet taken them must complete "Computational Thinking," which is offered in the second semester of each year.

Category	Course Number	Course Name	Credit	Semester	Grading	Remarks
Required general education	GECT001	Computational Thinking	1	2nd semester	P/F	- [For Students admitted in 2023 or earlier] Repeaters/first-timers must sign up for it. - This is a MOOC.

f) Bio Courses (for students admitted in 2024 or later)
"[Career/Entrepreneurship] The World of Bioscience" (MOOC) explores the fundamentals of biotechnology and various examples of convergent technologies that utilize life phenomena to foster interdisciplinary thinking that will enable students to cope with the changing environment and lead the future.

II. Elective Liberal Arts Courses

The Elective Liberal Arts Courses are designed to expose students to a variety of disciplines and applied fields, and include Distributed Category Liberal Arts (formerly, Core General Education: World Cultures, History, Literature and Art, Ethics and Philosophy, Sociological Studies, Science and Technology, Digital Innovation and Humanity) and other Elective Liberal Arts courses (including arts and physical education). Physical Education courses can be

taken for a maximum of three credits (three one-credit courses).

※ Core general education courses are Required Liberal Arts Courses for students admitted in 2023 or earlier, and **Elective Liberal Arts Courses** for students admitted in 2024 or later.
